# BUDGETING

## Budget Worksheet

In order to consider the approximate total cost of your complete semester abroad, consider the cost of the following individual items. You should compare the total with the amount you are currently spending on your education and spending needs for room, board, and other daily expenses.

**Program Fees** \$ \_\_\_\_\_

The program fees for all of our programs can be found online at [globalinksabroad.org/fees](http://globalinksabroad.org/fees). Be sure to check the website for information on our fee inclusions and extra add-ons you can consider.

**Flight** \$ \_\_\_\_\_

This will vary by location. We suggest you budget \$800–\$2,200.

**Housing** \$ \_\_\_\_\_

The housing fees listed online are approximates as actual fees vary based on the exact accommodation in which you are placed.

**Meals** \$ \_\_\_\_\_

You may have a meal plan or will purchase your own groceries for meals. You should budget between \$75 and \$100 per week or whatever you currently budget at home, as the cost of food is comparable at most international destinations.

**Books** \$ \_\_\_\_\_

The cost of books will vary by program and subject area. We generally recommend \$300–\$400 for a semester.

**Student Visa** \$ \_\_\_\_\_

Each country has different visa/immigration fees depending on the length of the program. In some cases you will apply in advance and/or upon arrival. Prices vary from free to \$600 USD.

**Local Transportation** \$ \_\_\_\_\_

This will vary by location but we suggest budgeting \$10–\$30 per week.

**Additional Spending Money** \$ \_\_\_\_\_

Suggested budget of \$150 - \$200 a week.

**TOTAL** \$ \_\_\_\_\_
